DATA PROTECTION.

VACCINATION AGAINST COVID-19 & FLU

DATA PROTECTION INFORMATION

Dear patient,

In connection with your vaccination, we – Leibniz Apotheke, Kantstraße 130B, 10625 Berlin, owner Dr. Stefan Rézépa – collect personal data from you as the controller. We process your name, address, date of birth, health insurance number and health insurer in order to carry out your vaccination, document it and later bill our services to your insurer. The legal basis for this processing is Art. 9(2)(h) GDPR in conjunction with the provisions of the German Social Code, Book V (SGB V), on vaccinations in pharmacies (performance of the treatment contract). This data is stored for 10 years and then deleted.

For the purpose of determining the uptake and effects of vaccinations (vaccination surveillance), the data specified there is transmitted to the Robert Koch Institute in accordance with Art. 9(2)(h) GDPR in conjunction with Section 13(5) of the German Infection Protection Act (IfSG).

Providing your data is generally voluntary. However, we cannot carry out the vaccination without your personal details. As a data subject, you have the right to access the personal data concerning you, to have incorrect data rectified and to have data erased if one of the grounds listed in Art. 17 GDPR applies, e.g. if the data is no longer needed for the purposes pursued. You also have the right to data portability and to restriction of processing. Furthermore, you have the right to lodge a complaint with a supervisory authority. If you have any questions about data protection, you can contact us at any time by email at leibniz@apotheke.berlin or by phone on 030 313 80 00.

I have taken note of the data protection information.
